at the leading edge  
of business

## ⓐ the top of its class

Aspire Tower has been conceived to redefine the workplace and working culture. It has a range of lifestyle options to stimulate productivity and is uniquely set up to cater for different enterprises. With environmental responsibility and sustainability underpinning key aspects of its blueprint, the building has been designed to achieve Gold Certification for LEED Core and Shell Category.

Intelligently designed to engender creativity and collaboration between businesses, Aspire Tower aims to establish a dynamic corporate community.

From an imposing lobby that crowns the entrance of the building to innovative aspects that combine business and pleasure beautifully, Aspire Tower accommodates business requirements for today and beyond.

# @ the heart of KL Eco City

A revolutionary office proposition

## A Distinctive Business Address

Aspire Tower is strategically located in the new Golden Triangle of Kuala Lumpur, nestled within the neighbourhoods of Bangsar and Mid Valley City.

Standing 42 storeys high, it is the tallest and finest corporate office tower and the most sought-after corporate space within the prestigious KL Eco City development, an MSC Malaysia Cybercentre.

## Integrated Commercial Space

With over 670,000 sq ft of best-in-class commercial space, Aspire Tower features layouts for three different office types, catering to a wide spectrum of industries and corporate needs. A flexible spatial planning system provides a fertile environment to nurture networking amongst industry players, from young start-ups to international corporations.

Master-planned by the internationally acclaimed firm, Jerde Partnership Inc., Aspire Tower is superbly connected to exclusive amenities within KL Eco City, including luxury residential towers, a 5-storey retail mall and a stylish 4-star business hotel operated by ONYX Hospitality Group – Amari Hotel.

# @ your convenience

Aspire Tower's location at the epicentre of a new business locale is enhanced by:

## A 2-tier Road System

A unique internal road system comprising an upper and lower tier facilitates a smoother incoming and outgoing traffic flow.

## 6 Ramps & Bridges

6 dedicated new ramps and bridges provide seamless channelling of traffic to Federal Highway, New Pantai Expressway (NPE), Jalan Maarof and Jalan Bangsar.

## An Integrated Rail Hub

Access to Abdullah Hukum LRT and the new KTM Komuter station.

## A Link Bridge to Mid Valley City

Easy access to The Gardens and Mid Valley Megamall extends the retail and lifestyle options.

## Connected Landscaped Podiums

A series of connecting pods, pedestrian links and green nodes integrate the various towers, providing green spaces linking all buildings within the development.

## Pedestrian Links

Extensive pedestrian links connect all components at KL Eco City above street level.

# @ the new business community

Adaptable and innovative work spaces in various configurations

## Premier Offices

18,690 sq ft (Entire Floor)

Commanding an entire level, this office type allows for a multitude of layouts with executive level amenities that is ideal for conglomerates.

## Signature Offices

3,623 – 16,393 sq ft

This office type offers the widest flexibility in terms of size, thus accommodating a range of workplace demands and size requirements.

## Executive Offices

1,152 – 1,971 sq ft

Compact and affordable suites, these highly functional and adaptable units cater for start-ups with the option to access service premises amenities the tower has to offer.

# @ your own pace

Work + life + style

Aspire Tower offers a range of service premises advancing a lifestyle element to the conventional 9-to-5.

### Landscaped Deck

Aspire Tower is connected to Corporate Office Tower 3, Amari Hotel and ViiA Residences via the landscaped deck, which is approximately 19,000 sq ft in size. This deck is an excellent place to unwind, whether meeting colleagues informally for a casual business brainstorm or convening for an outdoor engagement.

### Wellness Facilities

This office tower includes a space for a cutting-edge gym with an adjoining swimming pool, ideal for relaxing during your lunch break or after working hours and is available for outright purchase.

### Sky Dining

Hosting ambient dining and drinks, including private lounge spaces, the Sky Dining boasts fantastic views and beautifully designed interiors.

*Service premises which include our wellness facilities, sky dining and business centre are available for outright purchase by companies. At Aspire Tower we provide business owners with the flexibility to choose how they work.*

# shopping @ your door step

KL Eco City mall

Adjacent to Aspire Tower is the 5-storey KL Eco City Mall, comprising approximately 250,000 sq ft of retail space. The retail mall has been constructed to meet the needs of our residents and business owners. Highlights include an extensive food hall, well-loved cafés, restaurants, childcare services, skin care specialists, technology shops, convenience stores, specialty and boutique offerings.

# @ the business centre

Flexible office solutions

Catering to the ever-changing business needs, the Business Centre concept was conceived around the adaptability and well-designed features of co-working spaces.

This contemporary environment provides a variety of social and private spaces to engender a thriving business community. The business centre has been devised to suit all business types and needs, whether you're looking for meeting rooms to cater for small or large groups, an office space for one, or a break-out room for a brainstorm. It is available for purchase whether as a co-working space, or a private office.

## access @ your control

### Two exclusive lift lobbies

Two independent lift lobbies with a total of 16 elevators serve 19 levels of Signature and Executive Offices in the Low Zone, and 18 levels of Premier Offices in the High Zone.

With every component considered, the lobbies have been constructed to incorporate a proficient management of vertical traffic with state-of-the-art security. From the latest card-access system and professionally monitored Closed Circuit Television (CCTV), to a diligent Visitor Management System (VMS) and catalogued turnstile access, these lobbies ensure a secure work environment.

## park @ your own space

### Your very own parking bay

Proprietors at Aspire Tower can enjoy the unique benefit of owning car parking spaces. A purchase of selected office space or service premises within the tower entitles you to private parking bays for your absolute convenience. Each parking space transforms a significant cost outlay into an investment and an asset.
